NRC STAFF MOTION FOR  
EXTENSION OF TIME

The NRC Staff hereby requests that the November 7, 1978 date for submission of its Response to the General Electric Motion to Quash Intervenors' Subpoena be extended to November 9, 1978. As grounds for this motion, Staff counsel represents that because of the press of business, including other pleadings and administrative duties in this case, there has not been sufficient time to adequately address the novel issues presented by the instant Motion to Quash.

Respectfully submitted,

*L. Dow Davis*
