BRANCH

Hon. Peter B. Bloch
Chairman, Nuclear Regulatory Commission
Atomic Safety and Licensing Board
Washington, D.C. 20555

July 6, 1988

Dear Judge Bloch:

Enclosed please find a Motion for permission to withdraw pleadings without prejudice and with leave to file substitute pleadings within forty-eight hours. We understand that the Board may deem the filing of this motion unnecessary.

If the Board decides not to accept the enclosed motion we anticipate that the Board will be receptive to a reasonable motion to amend by petitioner in light of the extenuating time constraints under which petitioner and his counsel are forced to proceed in this matter.

By copy of this letter, we are furnishing the parties indicated in the certificate of service the above-referenced document.

Respectfully yours,

Michael D. Kohn, Esq.
Stephen M. Kohn, Esq.
David K. Colapinto, Esq.
