RE: Control No. 461922

Dear Mr. Whitten:

Thank you for your letter of June 1 requesting further information.

1. Our film badge service is provided by Tech/Ops Landauer Inc. and is exchanged monthly.
2. For unpacking, installing, and relocation of the fixed gauge, I will use my Model E-500B Eberline Geiger Counter. It uses the Model HP-177B Probe. The combination allows measurements from at least 1 through 200 mR/hr. It has been calibrated by the University of Colorado Health Physics Group.

If you have any further questions, please feel free to call me at FTS 320-3948.

Sincerely,

Winston Scott
