Emergency Plan

A recent change was made to the Emergency Plan to change the location of the Corporate Command Center (CCC) from the LP&L General Office in Algiers, Louisiana, to the Main Office at 317 Baronne Street, New Orleans, Louisiana. Pursuant to 10CFR50, Appendix E, Section V, we are herewith informing you of the change to the Emergency Plan. This change does not decrease the effectiveness of the Emergency Plan based on a review per 10CFR50.54(q).

Attached are marked-up pages 1-2 and 7-7 of Revision 11 of the Plan which reflect the changes.

The above change will be incorporated into the next revision of the Emergency Plan which is scheduled for issuance as Revision 12 during the second quarter of 1988. Please contact F.J. Englebracht, Emergency Planning and Records Manager at (504) 464-3155 if you have any questions on this Emergency Plan change.

Very truly yours,

R.F. Burski
Nuclear Safety & Regulatory Affairs
Acting Manager
