Docket No. 50-382
License No. NPF-38
EMERGENCY PREPAREDNESS EXERCISE

Reference: LP&L letter W3P88-0008 dated 1/12/88, R.F. Burski to NRC
Document Control Desk, subject: Emergency Preparedness
Exercise for 1988.

The referenced letter gave notification that October 12, 1988 was the
proposed date for the Waterford 3 Annual Exercise. October 12 is now a
firm schedule date.

An exercise objectives meeting has been scheduled for May 23, 1988 at 4:00
p.m. at the Percy Hebert Building in LaPlace, Louisiana. This meeting is
intended to provide discussion on the 1988 exercise objectives prior to
submittal to the NRC and FEMA. Representatives of the State of Louisiana,
St. Charles and St. John the Baptist Parishes, and LP&L will be in
attendance. It is desirable to have the appropriate NRC and FEMA
representatives also in attendance.

If there are any questions, please contact F.J. Englebracht, Emergency
Planning and Records Manager at (504) 464-3155.

Very truly yours,

R.F. Burski
Nuclear Safety & Regulatory Affairs
Acting Manager
