MEMORANDUM TO THE FILE

FROM: John C. Hoyle  
SUBJECT: CITIZEN COMMENT RE EMERGENCY PLANNING RULE

I received a phone call this afternoon (2/27/87) from the following individual:

Paul Lozowsky  
94 Route 112  
Patchogue, New York

He asked that the record contain his views as follows:

He represents 7,000 business owners in Long Island. The Shoreham plant area could not be evacuated in 1970. Construction began on the plant in 1973. The plant area can not be evacuated in 1987 or in the year 2000. He does not support the proposed emergency planning rule change.
