'87 MAR 11 P2:55

OFFICE OF SECRETARY
DOCKETING & SERVICE
BRANCH

March 6, 1987

Dear Mr. Chalk:

My wife and I would like to go on record that we find it most incredible that the NRC would even consider a proposal that would allow nuclear power plants to operate without state and local government participation in emergency planning. And, if this plan is adopted, it borders on the absurd. Human lives are at stake.

Sincerely
Richard H. Johnson
