MR MADSEN'S LETTER OF 3/3 WAS VERY ENLIGHTENING.
UNFORTUNATELY WE HAVE HEARD THIS BEFORE, BUT NOT FROM LILCO.
LILCO TAUGHT US THAT THE ELECTRIC POWER WAS CRITICAL WITH NO SOLUTION
IN SIGHT EXCEPT SHOREHAM.

NOW THAT THE NRC HAS TAKEN A STAND ON EMERGENCY PLANNING AND NO
STATE OR COUNTY PARTICIPATION NECESSARY, LILCO NOW TELLS YOU ABOUT
THE FOLLOWING:

COGENERATION GRUMMAN ISSUED THE STATEMENT FIRST LAST MONTH
CON ED AND LILCO LINE CONGRESSMAN HOCHBRUECKNER MENTIONED IT
LAST YEAR ON BILL ZIMMERMAN'S CABLE NEWS PROGRAM.

GARBAGE BURNING PLANTS LILCO FOUGHT IN COURT OVER HEMPSTEAD'S
PLANT SAYING THEY ONLY WANTED TO PAY 6 CENTS INSTEAD OF WHAT THE
COURT AGREED TO .

MR MADSEN YOU AND YOUR CHAIRMAN HAVE BEEN CRYING SHORTAGE FOR A LONG
TIME . HOW COME YOU NOW INFORM THE PUBLIC THAT ELECTRICITY CAN BE
GOTTEN WITH A LITTLE COOPERATION INSTEAD OF THE EGOTISTICAL GODLIKE
POSITION THAT LILCO HAS HAD BEFORE THIS TIME.

LILCO IS NOW ASKING FOR 10 OF IT'S BIGGEST USERS TO COOPERATE ON
USING LESS ENERGY. HUMBLINESS ON LILCO'S PART MAY BE LIKE HONEY
INSTEAD OF THE PREVIOUS LEMONS THEY HAVE FED US IN THE PAST.
