Annual Licensee

Dear Mr. Martin:

Improvements in our telecommunications system have made it necessary for System Energy Resources, Inc. to change its telephone prefix from 960-XXXX to 984-XXXX. The last four digits of most numbers for those of us at our corporate headquarters in One Jackson Place will not change; therefore, my new number will be 601/984-9696. My secretaries, Diane Park and Lyn Kobe, may be reached at 601/984-9697 and 601/984-9698, respectively. These changes are to be effective Monday, April 11, 1988.

If you have questions or need help reaching someone at SERI, you may certainly call the executive office, or you may call Kathleen Nobles, our receptionist and central operator, at 601/984-9000.

Sincerely,

A handwritten signature in cursive script that reads "William Cavanaugh, III".
