ATTENTION: Document Control Desk

SUBJECT: March Operating Data Reports for Calvert Cliffs
Units 1 and 2 (Dockets 50-317 and 50-318)

Gentlemen:

The subject reports are being sent to you as required by
Technical Specification 6.9.1.6.

Also enclosed are the Operating Status and the Unit Shutdowns
and Power Reductions for Unit 2, February 1988, which corrects
the mini-cutage shutdown duration as reported.

If there are any questions, please contact Carl Behnke,
(301) 260-4871.

Sincerely,

J. R. Lemons
