As discussed during the telephone conversation between yourself and Mr. Joyner, the violations identified during this inspection will be discussed at an Enforcement Conference at our office in King of Prussia, Pennsylvania, at 9:30 a.m. on April 15, 1988. We understand that you will attend this meeting with other members of your staff. You should be prepared to discuss the cause of these violations and your corrective actions taken or planned. You should also be prepared to discuss improvements in your management control system that will prevent the occurrence of these and other violations in the future.
