Gentlemen:

Subject: Meeting Report Nos. 50-277/88-21 and 50-278/88-21

On June 9, 1988, a Management Meeting was held at the NRC Region I Office, King of Prussia, Pennsylvania, to discuss the security program at Peach Bottom Atomic Power Station Units 2 and 3. The meeting was attended by Mr. D. M. Smith and other members of your staff and by Mr. J. M. Allan, Deputy Regional Administrator, myself and other members of the Region I staff. At that meeting we discussed the results of Philadelphia Electric Company's 1988 Annual Security Audit for the Peach Bottom Atomic Power Station and the results of Philadelphia Electric Company's investigation into allegations made by members of the Peach Bottom Atomic Power Station's security force (report dated April 15, 1988). In addition, we discussed the corrective actions you have taken and plan to take to prevent recurrence of security program degradations in the future.

A summary of our discussions and a listing of meeting attendees are contained in the report that is enclosed with this letter.
