RE: Limerick Generating Station, Unit 1
Docket No. 50-352

Dear Dr. Murley:

Enclosed for filing with the Commission is the executed original of Philadelphia Electric Company's Application for Amendment of Facility Operating License NPF-39. This Application requests changes to the Limerick Technical Specifications, in accordance with Generic Letter 87-09, to remove unnecessary operating restrictions and achieve consistency in various Limiting Conditions for Operation and Surveillance Requirements Sections of the Technical Specifications.

In accordance with Section 170.12 of the Commissions Regulations, enclosed is Philadelphia Electric Company's check in the amount of \$150 to cover the filing fee for this Application.

Very truly yours,

Eugene J. Bradley
