MEMORANDUM FOR: Robert J. Bosnak, Acting Assistant Director for
Components & Structures Engineering
Division of Engineering

FROM: Stephan J. Brocoum, Acting Chief
Geosciences Branch
Division of Engineering

SUBJECT: REVIEW OF THE FINAL DRAFT - RIVER BEND UNIT 1
TECHNICAL SPECIFICATIONS

The Geosciences' Branch, in accordance with D. M. Crutchfield's guidance (memorandum of April 19, 1985) is providing, for consolidation with other AD/CSE branch inputs, its review of the River Bend Unit 1 final draft technical specifications. We have no input since our review indicated that no section of the subject technical specifications falls within either the primary or secondary review responsibility of GSB.
