Gentlemen:

This refers to the inspection conducted by Mr. M. E. Skow of this office during the period October 21-25, 1985, of activities authorized by NRC Operating License DPR-34 for Fort St. Vrain, and to the discussion of our findings with Mr. Gahn and other members of your staff at the conclusion of the inspection.

Areas examined during the inspection included a follow-up to NRC Inspection Report 50-267/85-26. Within these areas, the inspection consisted of selective examination of procedures and representative records, interviews with personnel, and observations by the inspector. These findings are documented in the enclosed inspection report.

During this inspection, it was found that certain of your activities were in violation of NRC requirements. Consequently, you are required to respond to these violations, in writing, in accordance with the provisions of Section 2.201 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations. Your response should be based on the specifics contained in the Notice of Violation enclosed with this letter. Those portions of the Notice of Violation which are considered closed in paragraph 3 of the enclosed report need not be included in your response.

We have also examined actions you have taken with regard to previously identified inspection findings. The status of these items is identified in paragraph 3 of the enclosed report.

The response directed by this letter and the accompanying Notice is not subject to the clearance procedures of the Office of Management and Budget as required by the Paperwork Reduction Act of 1980, PL 96-511.
