H. John Abbiss  
United Nuclear Corporation  
P. O. Box 3951  
Albuquerque, NM 87110

Dear Mr. Abbiss:

The enclosed comments were generated during the review of your application for a Radioactive Materials License for your proposed Church Rock uranium mill.

This agency would appreciate your reply to these comments. Your reply will be considered as an amendment to your application, if you so request.

Sincerely,

Alphonso A. Topp, Jr.  
Environmental Scientist III
