SUBJECT: Seabrook operating license case:  
onsite emergency planning and technical issues

Dear Administrative Judges:

On April 15, NECNP mailed to the Appeal Board and parties copies of the Table of Contents and Table of Authorities for the New England Coalition on Nuclear Pollution's brief in support of its appeal of ASLBP No. 88-558-01-OLR. The tables were inadvertently omitted from NECNP's brief. Today we are sending another copy of that filing which corrects errors in the pagination of the Tables. Please disregard the April 15th filing.

Copies of this pleading have been served on the parties to this proceeding.

I apologize for any inconvenience caused by our error.

Sincerely,

  
Diane Curran
