AUG - 5 1988

Dr. W. W. Bixby, Director
West Valley Project Office
Idaho Operations Office
P. O. Box 191
West Valley, NY 14171

Dear Mr. Bixby:

As a follow-up to our June 16, 1988 letter to you, we have enclosed our review comments (Enclosure 1) to your responses that were provided in Attachment B of your May 16, 1988 letter. Enclosure 1 coordinates and summarizes the review comments of the NRC staff and our consultants from NBS and BNL. We have also enclosed the full text of our consultants' comments (Enclosures 2 and 3) for your information.

It may be advantageous in addressing the issues in the enclosed comments to arrange a meeting in our Rockville office to discuss your responses. A: appropriate time would be about one week after the NRC staff and consultants have formally received your responses. Details for the meeting arrangements, including the agenda, can be made by contacting Dr. Michael Tokar (301-492-0590) of my staff. We also request that you inform NRC of your plans for addressing the other items that were contained in our June 16, 1988 letter.

Sincerely,

Original Signed By

Malcolm R. Knapp, Director
Division of Low-Level Waste Management
and Decommissioning, NMSS
