Re: Amendment to License XSNM02169, Amn. No. 5

Dear Mr. Moore:

Please amend License XSNM02169 as follows:

- Change address to read: Transnuclear, Inc., Two Skyline Drive, Hawthorne, New York 10532-2120
- Change "Intermediate Consignee in Foreign Country" from ASEA-Atom to ABB Atom AB, S-721 62 Vasteras, Sweden; see attached

Please amend the Barsebaeck No.2 portion of license as follows, per the attached telecopy from ABB Atom AB:

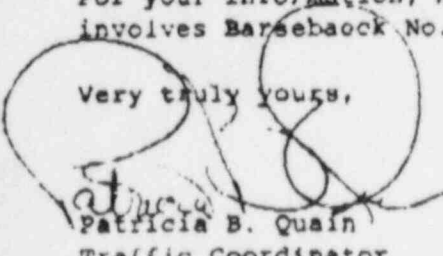

- Include the following quantities of Australian origin material:

<u>KGS U</u>	<u>KGS U235</u>	<u>DOE ENRICHING</u> <u>CONTRACT NOS.</u>	<u>WEIGHT & U235</u>
2975	95.8	SW 200	3.17

The terms and conditions of license XSNM02169 remain unchanged except for the above requested items.

For your information, ABB Atom AB has placed a D.O.E. product order that involves Barsebaeck No.2 for shipment from D.O.E. in September 1988.

Very truly yours,

Patricia B. Quain
