Dear Mr. Wilner:

On August 5, 1988, the NRC received your answer dated July 29, 1988, to our Demand For Information sent to you on June 13, 1988, by Mr. Hugh L. Thompson, Jr., Director, Office of Nuclear Material Safety and Safeguards. Your package contains information under the three categories requested in our Demand for Information, namely:

- a. A plan for decontamination of the Harvard Avenue site, including the contractor's name and the budget for decontamination;
- b. A timetable for the decontamination of the Harvard Avenue site;
- c. The progress made towards submitting to NRC plans to decontaminate and decommission the property located between 28th and 29th Streets at Bert Avenue (the dump site) by October 1, 1988.

We are now in the process of reviewing and evaluating the information in these three areas to determine their adequacy and will inform you of the results.

Sincerely,
