Gentlemen:

Enclosed are 4 copies of the "Robert E. Ginna Nuclear Power Plant Training and Qualification Plan for Security Officers" (Revision 6) dated August 27, 1998. The revised sections of the Training and Qualification Plan are being submitted under the provisions of 10CFR50.54(p) as it does not degrade the security of the plant.

In order to facilitate NRC review, changes are described in a Synopsis of Changes and highlighted in the plan by side-bars located to the left of the revised text.

Appropriately marked enclosures contain Safeguards Information and must be protected from disclosure in accordance with the provisions of Part 73.21 Code of Federal Regulations.

Very truly yours,

Joseph A. Widay

SUBJECT: Robert E. Ginna Nuclear Power Plant
Training and Qualification Plan for Security Officers

TO: Authorized Holders of the Training and Qualification Plan

The Ginna Training and Qualification Plan for Security Officers has been revised (Revision 6) to reflect the addition of semi-automatic rifles to the inventory of security contingency equipment and the elimination of the title of Nuclear Security Training Coordinator which was replaced with the title of Nuclear Security Operations Coordinator. Distribution of Revision 6 of the Training and Qualification Plan is being made in accordance with the following Controlled Copy list:

Copies 1,2,3,4 - USNRC Document Control Desk
Copies 5 & 6 - USNRC Region I
Copy 7 - Nuclear Security Operations Coordinator

Appropriately marked enclosures contain Safeguards Information and must be protected from disclosure in accordance with the provisions of Part 73.21 Code of Federal Regulations.

Please insert the new pages (Revision 6) into the Plan and destroy completely all pages replaced.

Very truly yours,

Robert C. Mecredy
Vice President
