Re: In the Matter of Florida Power and Light Company
(St. Lucie Plant, Unit No. 1) Docket No. 50-335-OLA

Dear Mr. Bauser:

This is to confirm our conversation of June 21, 1988. During this discussion it was agreed that I would have up to and including 5 June 1988 to answer the first set of interrogatories that you submitted to me.

I also indicated to you that because the temporary crane had been removed from the spent fuel pool storage area, I would withdraw admitted contention 2 from consideration. I have enclosed a letter indicating that to the Board.

Yours truly,

Campbell Rich
