ENCLOSURE 1

MEETING SUMMARY

On July 25, 1988, representatives of Georgia Power Company (GPC) met with the NRC in the Region II office in Atlanta, Georgia to discuss the Corporate office, Vogtle facility, and Hatch facility nuclear operations organization. A list of meeting attendees is in Enclosure 2.

GPC gave a presentation which provided an organization status.

An outline of GPC's presentation is given in Enclosure 3.

After approval by the Securities and Exchange Commission, a nuclear operating company consisting of the nuclear plants in the Southern Company (Hatch, Farley, Vogtle) will be formed. The corporate office location will be decided once approval for the company is obtained. A project organization has been established for each plant.
