

August 23, 1988

Docket Nos.: 50-413  
50-414

Mr. H. B. Tucker, Vice President  
Nuclear Production Department  
Duke Power Company  
422 South Church Street  
Charlotte, North Carolina 28242

Dear Mr. Tucker:

SUBJECT: REQUEST FOR ADDITIONAL EMERGENCY NOTIFICATION SYSTEM (ENS)  
LOCATION - CATAWBA NUCLEAR STATION, UNITS 1 AND 2

By letter dated May 13, 1988, you requested approval for an ENS telephone line to be installed in the simulator area and used only for emergency drills.

We have reviewed your request and find that the addition of an ENS telephone line to be used only for non-emergency purposes is counterproductive to the intent and purpose of the emergency network. We suggest that normal commercial telephone service be used by the personnel participating in emergency drills from the simulator area.

Please contact Kahtan Jabbour at (301) 492-1496 if you have questions regarding this matter.

Sincerely,

Original signed by

David B. Matthews, Director  
Project Directorate II-3  
Division of Reactor Projects - I/II
