Dear Mr. Low:

Due to some difficulty encountered in arranging necessary tests, I will not be able to submit my report of a possible overexposure on the date due (October 27, 1971).

Tests were conducted on October 22, 1971. Results of these tests will not be available until the second or third week in November.

Therefore, I respectfully request that the reporting date be extended to November 24, 1971.

Sincerely yours,
