Dear Sir:

Re: Transfer of Gas Chromatograph

This letter is to inform you of our recent transfer of a Hewlett-Packard Gas Chromatograph Model No. 5710 (with Electron Capture Detector) from our BresLube-Penn Inc. site to our laboratory at Booth Oil Co., in Buffalo, New York.

As stated in our correspondence dating back to February 18, 1987 (Subject: Rep. No. 030-22073/86-01) it was our intention to transfer our unit from the BresLube-Penn Inc. site. In complying with regulations 10 CFR 31.58, I have included a copy of our license at our Buffalo site. The instrument was received by Greg Beck, Technical Manager, the week of December 1, 1987.

I hope I have provided you with all information necessary. If I can be of any further assistance, feel free to contact myself or Frank Scimmi, Technical Manager.

Regards,
