## 14. DESCRIPTION OF AMENDMENT/MODIFICATION (Organized by UCF section headings, including solicitation/contract subject matter where feasible.)

The purpose of this modification is to extend the contract term for one additional year and one additional option year in accordance with the contractor's technical and cost proposals dated March 18, 1988, also to revise the provisional indirect rates. The following changes are applicable.

A. Paragraph F.3, Duration of Contract Period - the first sentence is revised to read:

"The period of performance hereunder shall commence on June 28, 1985 and shall continue through June 27, 1989."

Except as provided herein, all terms and conditions of the document referenced in Item 9A or 10A, as heretofore changed, remains unchanged and in full force and effect.

- B. Paragraph F.3, Option to Extend the Period of Performance - is revised as follows:

This contract may be extended for one additional twelve month period at the option of the Government by the Contracting Officer. The Contracting Officer may give preliminary written notice of an intent to exercise such option ninety (90) days, or less, prior to the last day of the period of performance (such preliminary notice shall not be construed as an exercise of the option) and will not bind the Government to exercise the option.

If the Government exercises such option, the total duration of this contract, including the exercise of this option, shall not exceed five years.

- C. Paragraph G.1.A, Estimated Cost and Consideration, is deleted in its entirety and the following paragraph is substituted in lieu thereof:

A. Estimated Cost and Consideration

1. It is estimated that the total cost to the Government for full performance of this contract will be \$1,054,655. The actual cost and fee shall be negotiated on a case-by-case basis for each task order issued hereunder.
2. The total amount of funds currently obligated for payment under this contract is \$400,000.00.

- D. Paragraph G.2, Overhead/General and Administrative Rates, is changed to revise subparagraph D as follows:

- D. Pending the establishment of final overhead rates which shall be negotiated based on audit of actual costs, the Contractor shall be reimbursed for allowable indirect costs hereunder at the provisional rate of 76.8% of direct labor costs for all labor categories except a provisional rate of 123.8% will be allowable as the indirect rate for the Technical Writer effective June 28, 1988.

In summary, this modification accomplishes the following actions:

1. Provides one additional extension of the contract term through June 27, 1989 and includes an additional one year option period.
2. Revises the consideration clause of the contract to change the total estimated cost for full performance of the contract term from \$635,237 by \$419,418 to \$1,054,655.
3. Revises provisional rates according to the latest audit information available.
