FREEDOM OF INFORMATION
ACT REQUEST

FOIA-88-233
Rec'd 4-19-88

Dear Mr. Perkins,

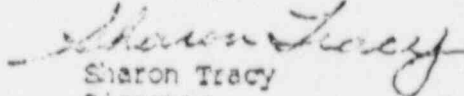

This is a request for information under the Freedom of Information Act. Pursuant to the Freedom of Information Act, as amended, 5 U.S.C. S 552, the Employees' Legal Project is requesting the following information:

All NRC inspection manpower tracking data dedicated to the performance of the NRC inspection modules for inspections reported in NRC inspection reports 50-443/86-52 and 50-443/87-07 for Saabrook Station. Data requested includes but is not limited to: total hours expended by module; inspection start date by module; and inspection completion date by module.

The Employees' Legal Project is a non-profit public interest educational organization, and intends to use this information in studies of nuclear power plant safety and safeguards. The information will be disseminated to the media and to the public. Because the information requested will be used to benefit the public, under the provisions of 10 C.F.R. S 9 and 14(a), we request a complete waiver of any costs you might incur in processing this request and in making copies of the information for us. If you rule otherwise, please notify us.

If you have any questions about this request, please call me at 613/773-3463. Thank you for your attention to this request.

Sincerely,

Sharon Tracy
Director

P.S. A copy of this request has been sent to the Director, Office of Resource Management and Administration, US N.R.C., Washington, D.C. 20555 so as to facilitate this request.
