Gentlemen:

Reference (3) provided our revised response to EA 86-09, Appendix B, Item I.B.2. In that response we stated that a review was being conducted to assure that any handwritten comments contained in safety related vendor drawings in our active files were properly dispositioned. In reference (4), we stated that this review would be completed no later than September 1, 1988. Dispositioning of the Deficiency Reports generated as a result of this review will extend beyond September 1, 1988. Accordingly the date when full compliance will be achieved for EA 86-09, Appendix B, Item I.B.2 is hereby revised to be no later than December 30, 1988.

Very truly yours,

W G Council
