Dear Mr. Vaughan:

I am responding to your letter of September 3, 1998, regarding the West Valley site. Thank you for your comments on Science Applications International Corporation's various preliminary and revised performance assessments for West Valley and the other information you provided. My staff will take your comments into account as they go forward with the U.S. Nuclear Regulatory Commission's activities and responsibilities under the West Valley Demonstration Project Act, and as a cooperating agency in the West Valley Environmental Impact Statement.

Sincerely,
