Dear Stu:

I am enclosing a Notice of Depositions concerning certain members of the Braidwood CAT inspection group. We have identified Mr. Hooks as having responsibility for the welding and nondestructive section of the CAT inspection report. I am prepared to make a witness substitution if someone other than Mr. Hooks is responsible for this section. Please call if this is the case or if there is a problem with the unidentified witnesses for the design control area.

Sincerely,

Joseph Gallo
