Radioactive Effluent and Waste Disposal Report  
for the Period January 1 through June 30, 1985

Dear Sir:

In accordance with Pilgrim Nuclear Power Station Technical Specification 6.9.C.1, the Boston Edison Company hereby submits the Radioactive Effluent and Waste Disposal Report for the period January 1 through June 30, 1985. Submittal of this report is delayed this period per our letter to yourself dated August 28, 1985. Again, we apologize for any inconvenience that this delay created.

Very truly yours,

W. D. Harrington
