NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

Copy placed in Diablo  
Canyon & Letters of  
Appreciation

November 2, 1984

NOTE FOR: *Bill*  
William Briggs, Solicitor  
FROM: Nunzio J. Palladino *NJP*

I heard last night that, following the October 30 oral argument, the D. C. Circuit Court lifted the stay in the Diablo Canyon case. This is, I am sure, attributable in large measure to the top-notch job you did Tuesday in presenting the Government's case.

In particular, I think you can be proud that your first major appearance as NRC's Solicitor turned out so successfully.

Please extend my congratulations to your colleagues for their important contribution in this team effort.
