ATTN: Mr. P. R. Clark, President

Parsippany, New Jersey 07054

Gentlemen:

Subject: NOTICE OF VIOLATION (NUREG 0680, SUPPLEMENT 5) - January 29, 1986

It has been brought to our attention that the letter transmitting the above-referenced Notice of Violation contained an error on page 2. We mistakenly indicated that criminal action had been taken against GPU Nuclear for falsifying leak rate tests at TMI-2 when, in fact, the criminal action had been taken against Metropolitan Edison Company. Since this matter has received media attention, we are issuing a corrected page.

Sincerely,

James M. Taylor, Director
Office of Inspection and Enforcement
