Re: Public Service Co. of N.H.  
(Seabrook Station, Units 1 and 2)  
Docket Nos. 50-443, 50-444 - DL  
Offsite Emergency Planning Issues

Dear Mr. Trout:

The Federal Emergency Management Agency (FEMA) has received the Applicants' First Set of Interrogatories and First Request for Production of Documents to All Parties and Participating Local Governments Regarding Contentions on the Seabrook Plan for Massachusetts Communities, dated August 31, 1988. In keeping with the discussion at the Prehearing Conference of August 3rd and 4th, FEMA will respond to your discovery requests after October 14, 1988.

Thank you for your cooperation.

Sincerely,

H. Joseph Flynn,  
Assistant General Counsel
