SUBJECT: CONFIRMATION OF ENFORCEMENT CONFERENCE ARRANGEMENTS - ST. LUCIE
UNIT 1, DOCKET NO. 50-335

This confirms the conversation between Mr. K. N. Harris of your staff, and Mr. S. A. Elrod of my staff, on February 21, 1986, concerning an enforcement conference to be held at the Florida Power and Light Company's corporate office (9250 West Flagler St., Miami, Fl.) at 8:00 a.m., on February 25, 1986. We requested this meeting to discuss the loss of exposure control which occurred at St. Lucie Unit 1 during the recent steam generator sludge lancing.

Should you have any questions regarding these arrangements, we will be pleased to discuss them.

Sincerely,

/s/J. N. Grace
