Dear Mr. Todd:

This is in response to your letter dated December 23, 1985, in which you requested, pursuant to the Freedom of Information Act, copies of all records pertaining to "unusual events," possible security threats, and violations of the airspace at the Indian Point nuclear power plant on or about July 24, 1984.

A search of pertinent files indicates that the NRC is not in possession of documents subject to your request. If you have any questions concerning this matter, please telephone Dick Lavins at (301) 492-9564.

Sincerely,

A handwritten signature in cursive script that reads "Donnie H. Grimsley".
