Gentlemen:

Donald C. Cook Nuclear Plant Units 1 and 2
MODIFIED AMENDED SECURITY PLAN, REVISION 33

The attached revision 33 to the modified amended security plan (MASP) is submitted in accordance with 10 CFR 50.54(p). The revision addresses several changes that include the addition of a section describing the responsibilities of the security and emergency operations manager.

In addition, the revision modifies the description of the protected area boundary and also describes the exception of a single lighting tower that does not conform to the existing MASP description.

Details of changes are found in the attachment to this letter. These changes do not decrease the effectiveness of the security plan.

Please acknowledge receipt of the attached safeguards information by signing and returning the enclosed safeguards information transmittal form to D. J. Ashley, Cook Nuclear Plant, One Cook Place, Bridgman, Michigan 49106.

Sincerely,

Robert P. Powers
Vice President
