OFFICE OF INVESTIGATION

MEMORANDUM FOR: James I. Vorse, Director, Office of Investigations
Region II Field Office

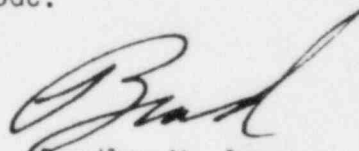

FROM: Bradley W. Jones, Regional Counsel

SUBJECT: SHEARON HARRIS INTERROGATORIES - VAN VO HARRASSMENT ISSUE

Enclosed for your review are interrogatories which the NRC must respond to concerning a contention admitted in the Shearon Harris proceeding on the subject of possible harrassment of Mr. Van Vo. The admitted contention reads:

Chan Van Vo was placed on probation and later terminated from his job with CP&L because he had sought to raise nuclear safety concerns about the Harris facility, as he alleges, and not because of poor job performance, as CP&L alleges.

I expect you will be asked by either OGC (since they represent OI) or ELD (since they are involved in the hearing most directly) to respond to these interrogatories. I am not yet aware of a formal request for your response, but the Agency reply is due February 25, 1985. I will let you know if I receive any formal request for a response from ELD. Please keep me informed of any requests you received from OI headquarters or OGC.

Bradley W. Jones
