Re: RII:SALP Report, Catawba Nuclear Station  
Nos. 50-413/85-42, 50-414/85-44

Dear Dr. Grace:

We appreciated the opportunity to meet with your staff on January 10, 1985, to discuss the results of the Systematic Appraisal of Licensee Performance for Catawba Nuclear Station. The company appreciates the perspective offered by the NRC and will utilize this input to further improve the quality of our operations. We will continue to work with members of your staff to accomplish our common goals.

Very truly yours,

Hal B. Tucker
