Subject: Letter Identifier Number

Reference: Letter from J. H. Taylor (B&W) to Cecil O. Thomas (NRC), dated
January 31, 1986, Subject: Creep Collapse Analysis for B&W Fuel.

Dear Mr. Thomas:

The referenced letter described a change in the basis for performing Creep Collapse Analysis on B&W Fuel. In order to provide a means of tracking that letter in future correspondence, B&W is adding a letter number. The letter number is JHT/86-011A and should be used in all correspondence between the NRC, B&W and NRC consultants.

Very truly yours,

J. H. Taylor, Manager
Licensing Services
