U. S. NUCLEAR REGULATORY COMMISSION
Washington, DC 20555

Dear Mr. Hannon:

OPERATOR LICENSING EXAMINATION SCHEDULE

Attached is our response to your request for estimates of needed operator licensing examinations per Generic Letter 88-13. Mr. C. W. Krause, of our Nuclear Plant Engineering and Regulatory Section, and your staff discussed the fact that our response would not meet the September 1 target in your letter.

We wish to emphasize that these are our best estimates at this time, but we may request examinations at other times if unforeseen circumstances arise. Please note that no scheduled dates are included for the potential need of reexaminations should an initial exam failure occur.

As always, we will work closely with Region III personnel to implement the actual schedule.

Very truly yours,

R. J. Bruno
