Subject: Cygna Letter 84042.46  
Dated January 27, 1986  
ASLB Documents Transmitted to Cygna  
Texas Utilities Generating Company  
Comanche Peak Steam Electric Station  
Independent Assessment Program-All Phases  
Job No. 84042

Dear Nancy:

The copy which I received of the updated list of documents which was attached to subject letter did not contain pages 22 - 38; also, the copy I received of page 43 apparently misfed in the copy machine and came out at a skewed angle (see copy attached). Please send copies of pages 22-38 and a new page 43.

Thanks much.

Sincerely,

Mrs. Juanita Ellis, President
