IN RESPONSE REFER
TO FOIA-85-798

Dear Mr. Pedro:

This is in response to your letter dated December 3, 1985, in which you requested, pursuant to the Freedom of Information Act (FOIA), that enclosures to a specified document be placed in the Public Document Room (PDR).

The enclosed appendix identifies the documents which are being made available for your inspection and copying at the PDR. The documents will be filed in PDR folder FOIA-85-798 under your name. Portions of the document identified at number two contain information submitted by the General Electric Company which is confidential business (proprietary) information. This information is being withheld from public disclosure pursuant to Exemption (4) of the FOIA (5 U.S.C. 552(b)(4)) and 10 CFR 9.5(a)(4) of the Commission's regulations.

Pursuant to 10 CFR 9.9 of the Commission's regulations, it has been determined that the information withheld is exempt from production or disclosure and that its production or disclosure is contrary to the public interest. The persons responsible for this denial are the undersigned and Mr. Harold R. Denton, Director, Office of Nuclear Reactor Regulation.

This denial may be appealed to the NRC within 30 days from the receipt of this letter. As provided in 10 CFR 9.11, any such appeal must be in writing, addressed to the Executive Director for Operations, U.S. Nuclear Regulatory Commission, Washington, DC 20555, and should clearly state on the envelope and in the letter that it is an "Appeal from an Initial FOIA Decision."

Sincerely,

Donnie H. Grimsley, Director
Division of Rules and Records
Office of Administration

Enclosure: As stated
