IN RESPONSE REFER
TO FOIA-85-807

Dear Ms. Garde:

This is in response to your letter dated December 5, 1985, in which you requested, pursuant to the Freedom of Information Act (FOIA), all requests by the Atomic Safety and Licensing Board to establish a second docket in the Comanche Peak operating license hearing to hear the issues of harassment and intimidation.

The NRC staff members have completed their search and have informed us that they were unable to identify any records subject to your request.

Sincerely,

A handwritten signature in cursive script, appearing to read "John Philippi for".
