Attention: Mr. J. Nelson Grace

Please note the following correction to information previously submitted
in Letter File: X7BG10, Log: GN-774 dated January 10, 1986:

Attachment 2 response to IFI-424-85-51-08 stated that the individual
concerned had been notified of his examination failure. The response
should have stated the individual concerned has not conducted any
training instruction since the examination date and will not be
permitted to conduct any training instruction until such a time as
his certification is reestablished.

Very truly yours,

D. O. Foster
