

APR 19 1988

Docket No. 40-8027

Sequoyah Fuels Corporation
ATTN: Mr. John C. Stauter, Director
Nuclear Licensing and Regulation
P.O. Box 25861
Oklahoma City, OK 73125

Gentlemen:

This refers to your March 31, 1988 letter for an amendment to License SUB-1010 to reflect a revision to Special Process Commitment No. 16

The Licensing staff has advised us that an amendment is required. Enclosed is a copy of revised 10 CFR 170, which became effective June 20, 1984. Please notice §170.12(c) and fee Category 2C of §170.31. Applicants in fee Category 2C pay an initial application fee of \$150 and are subsequently billed at 6-month intervals for all accumulated NRC costs or upon completion of the review, whichever occurs sooner. The total fee assessed will be based on the actual NRC cost (professional staff-hours) to process the application as well as any contractual cost incurred.

Based on the above, please remit an application fee of \$150 and mail it to my attention. If you have any questions concerning the fee, please let me know.

Sincerely,

Signed by:
Glenda Jackson
