ORDER

In their brief in opposition to the pending appeal of the New England Coalition on Nuclear Pollution from the Licensing Board's February 17, 1988 memorandum and order, LBP-88-6, 27 NRC 245, the applicants maintain that the appeal has become moot as the result of the Coalition's April 22, 1988 letter to the Licensing Board. The Coalition is to respond to that suggestion of mootness in a memorandum to be received by the members of this Board no later than 4:00 p.m. on Monday, May 16, 1988.

It is so ORDERED.
