FROM: Lando W. Zech, Jr. *Lando W. Zech Jr.*

SUBJECT: CREATION OF THE OI ORGANIZATION REVIEW GROUP

The Commission is establishing an OI Organizational Review Group to prepare a recommended organization, for approval by the Commission, which integrates the functions of the Office of Investigations within the Office of the Executive Director for Operations. The Commission requests that each of you serve on the OI Organizational Review Group. The proposed organization should be prepared for the purpose of assuring more efficient and cost-effective utilization of staff resources, while continuing to assure the independence and quality of the investigative review function.

The Commission expects the Review Group to discuss implementation of the above goals with Commissioners, senior NRC management and other personnel, as appropriate.

In order for the Commission to promptly complete Phase Two of the Commission's response to the directive contained in the Conference Committee report which accompanied the Continuing Resolution recently passed by Congress (copy attached), the Review Group should provide its recommendations to the Commission by March 1, 1988. The Commission has designated Hugh Thompson to serve as the Chairman of the Review Group and he is requested to begin work immediately upon receipt of this memorandum.
