Re: Texas Utilities Electric Company et al.
Docket Nos. 50-445-OL and 50-446-OL

Dear Sir:

We are enclosing herewith for filing Applicants' Motion For An Order Resolving All Piping and Pipe Support Design Issues with attached affidavits and supporting documents. The supporting documents, which are voluminous, have previously been provided to CASE and the NRC Staff. Thus, we have not provided additional copies in serving the parties. Copies of the documents will, of course, be provided to the Licensing Board and to any party requesting them.

Finally, the attached affidavit of J. W. Muffett contains an unexecuted signature page. Mr. Muffett has verified the statements in the affidavit and an executed signature page will be substituted shortly.

Sincerely,

Thomas A. Schmutz
